## General terms and conditions

- Service availability is limited and valid only upon request, approval and signing of the contract.
- The following applies to catamarans and multihulls:
  - November, December, January, February and March – the monthly price for berth is increased by 60%.
  - October, April and May - the monthly price for berth is increased by 100%.
- The listed prices for April, May and October are valid only for clients with a contract for the use of berth for a duration of at least three months.
- The minimum service fee for each vessel is one (1) month, regardless of the duration of the mooring.

## Included in the price of service

- Usage of sanitary facilities.
- Control of the vessel's mooring lines.
- Standard connection to electric energy (16A).
- Water for normal usage.
- Parking place for the vehicle of the owner or user of the vessel.
- The fee for accepting mixed waste from the vessel is 1% of the agreed price of the berth and is included in the stated price.

## Special conditions and additional services

- Owner or user of the vessel who stays on board more than 40 days during the contracted period will be charged 10% more for the usage of the berth.
- Power connection 32A or 63A is available only with metering device. Service fee for connection usage is 100 EUR per month. Price for the consumption of electric energy is 0,35 EUR/kWh.
