FACIAL TREATMENTS

COLLAGENE & HYALURONIC (anti-age treatment)

Individual approach to every client, diagnosed skin condition guarantees best way for smoothing wrinkles and tightening the face skin.

Individualni pristup svakom klijentu jamči najbolji način za izgladivanje bora, zatezanja kože te vraćanje prirodnog sjaja.

HYDRADVANCE (deep skin hydration treatment)

The most important ingredient of the treatment is spring water, that ensures adequate in-depth hydration with its natural purity.

Najvažniji sastojak tretmana je izvorska voda koja osigurava ogovarajuću hidrataciju svojom prirodnom čistoćom.

RX - REGENERATIV SOLUTION

This treatment is enriched with active substances selected to restore cutaneous hydration, reduce skin sensibility, minimize discomfort feelings and allow skin to be in an environment conducive to an optimal, quick and efficient restoration.

Tretman obogaćen aktivnim tvarima odabranim da kožu hidratiziraju, smanje osjetljivost, minimaliziraju neugodan osjećaj i dopuste koži da bude u okruženju pogodnom za optimalnu, brzu i učinkovitu obnovu.
